"Where It Matters, When It Matters, With What Matters"

For 240 years, people of faith and compassion have answered the call to serve our nation's Sea Services as chaplains.

Each of them has a story and reason for serving.

I serve because it is a privilege and honor to serve both God and country. It is a great blessing to be able to provide pastoral care to Marines and Sailors in very unique contexts and circumstances. This truly is a "dream job" and I give thanks to God for the ability to do it!
